

CUB DAY

CCRCS Cub Day

Come join us and bring any Cub you may have laying around be it large or small, we want to see you and your Cub flying with us

Sunday July 19, 2020 from 9:00 to Noon

Contact Luis at

flycubs@comcast.net if you have any questions

The format will be mostly open flying, but we will have a touch and go event and a climb and glide event just to keep things interesting for those who crave a little challenge.
