

ATOMIC CITY DRONE CLUB

# 2021 QUAD RACE SERIES

---

We are excited to announce the ACDC 2021 Quad Race Series!

## Micro Class Spec

- All Up Weight Limit 175g and less (including battery)
- Frame 150mm or less
- Battery 3s 650mAh or less
- Prop Size 3" or less
- Decent Analog VTX (TBS, Tramp or Rush)\*

\* We use the 5.8GHz fpv frequencies to time the race, it is vital your VTX outputs a clean signal.

## Rules and Safety

### General Safety

We will follow an amended version of the [MultiGP Rules & Regulations](#) which includes a spec and setback requirements for the [Micro/150mm Class](#) as defined by the AMA.

Please familiarize yourself with the [AMA Safety Code](#) and [MultiGP Event Rules](#). These rules must be strictly adhered to, otherwise you may be disqualified from participating.

### Social Distance Guidelines

- Maintain at least 6' between individuals
- Masks are required when closer than 6' between individuals, and at the Flight Line & Pilot Pit Areas.
- ACDC will supply hand sanitizer and masks for those that cannot provide their own
